

HEALTHCARE JOURNAL of New Orleans

The most comprehensive and cost-effective way possible to reach your local healthcare industry.

2017 MEDIA KIT

The **Media** for Healthcare

Your message
will be seen by
the healthcare
industry.

There is no
better way.

HJNO pulls the New Orleans healthcare community together.

PRINT / WEB / eNEWS

A female doctor with short brown hair and pink-rimmed glasses is looking down at a document. She is wearing a white lab coat over a red top. A stethoscope is visible around her neck. The background is a blurred outdoor setting with green foliage.

The **Media** for Healthcare

HJNO is the most
cost-effective way
to improve
your bottom line.

Our Mission

Healthcare Journal of New Orleans analyzes healthcare for the purpose of optimizing the health of our citizens.

About HJNO

Healthcare Journal of New Orleans operates within the auspices of US Healthcare Journals. Since 2007, US Healthcare Journals has set out to improve the health of local citizens through a community approach of shared information targeted to the healthcare industry. Other USHJ markets have won numerous state and national awards including the coveted Medical Media & Marketing's 2010 Silver Award for "Best Professional Media Brand."

Healthcare Journal of New Orleans' Chief Editor, Smith Hartley, brings 20+ years of experience as a healthcare leader in multi-specialty group practices, health insurance, and governmental agencies, as well as healthcare media. Alongside a New Orleans editorial advisory board, Mr. Hartley directs a team of talented healthcare journalists.

Healthcare Journal of New Orleans is committed to providing high quality healthcare news, information, and analysis. With an impressive publication, distribution plan, eNews, and website, *Healthcare Journal of New Orleans* has staked a claim to this powerful niche of healthcare professionals, allowing sponsors to reach the New Orleans healthcare industry in a way never before available.

Compelling, unbiased
editorial content
keeps sponsors in
front of **healthcare**
decision makers.

Advertisers will not influence editorial content.
Each article is written by unbiased journalists.
